

Chastain Road Elementary School

Building success beyond the classroom

Chastain Road Elementary School of Discovery receives Title I funding. Under *No Child Left Behind*, each Title I school collaborates with parents to jointly develop a Parent and Family Engagement Policy stating how parental involvement required by NCLB will be occur. This document is revised each year and every parent is given the opportunity to review our policy and give feedback. ***This is the final copy of the policy. No signature is needed.***

The administration, faculty, and staff of Chastain Road Elementary School will ensure that:

- Parents and families feel welcome in the school to help develop meaningful, working relationships among staff.
- Parents are asked to give feedback and help plan and improve programs.
- An annual Title I Meeting is held to inform parents of the school's participation in Title I and explain the requirements.
- A Parent/School Compact is developed by staff and jointly revised including parent feedback.
- Parent involvement programs and activities are provided during each semester and include materials and training to help parents work with teachers to partner in a quality education for their child.
- Materials (including books, educational supplies, games, etc.) are provided in the Parent Resource Center to help parents assist their child in achieving and maintaining success.
- Information about school related programs or activities are provided to parents in a timely manner through class newsletters, school newsletters, Class Dojo, Schoology, email, the school's Web site, as well as Chastain Road's Facebook page. Parents will be provided with explanations of their school's academic achievement results and their child's individual results.
- Regularly scheduled meetings and at least two conferences a year are offered for parents to learn about their child's progress and success, give feedback, and participate in decisions relating to their child's education.
- Timely responses are provided to parent's suggestions through notes, e-mails, phone calls, Class Dojo, Schoology, and conferences. Parents are always welcome to contact school personnel for more information regarding students.
